The Friends continue to support Guardian Angel children's program by providing books for infants that are included in a layette given to new mothers. The program serves any new mom in LaSalle County regardless of income. Our mission is to promote early childhood reading in support of young families.

The Rueben G. Soderstrom Room was dedicated on Sunday, Sept. 5th. This state-of-the-art room allows for private meetings, presentations and quiet study areas. We invite you to come take a look at the library's newest renovation!

**The Friends will be hosting the annual Halloween event by distributing new books to all youth ages infant to eighth grade. Please visit [streatorpubliclibrary.org](http://streatorpubliclibrary.org) or the Friends Facebook page for upcoming details.**
