

STREATOR PUBLIC LIBRARY

Board Minutes

May 27, 2020

ZOOM

President Dave Reed called the May meeting of the Streator Public Library Board of Trustees to order at 4:30 p.m.

Present were board members Jane Farero, Gloria Gubbels, Spencer Lawrence, Theresa Lukach, Ellen Park, Dave Reed and Ellen Vogel, and Library Director Cynthia Maxwell.

Board members Ed Brosak and Gary Wheeler were absent.

Library Director Cynthia Maxwell reviewed the procedures that will need to be put into place for the library to open to the public. She is hoping to open the library to curbside service on May 15, 2020.

RAILS has set safety standards which must be met if our library is going to be able to borrow books from other libraries within the system.

It is hoped that a soft opening to the library building can occur in early to mid July, but this will be dependent, in part, upon the number of virus cases in the area.

The meeting concluded at 5:02 p.m.

Respectfully submitted,

Jane Wreith Farero
Board Secretary
